The Vidmar Bank is a dwarven financial institution founded by Murko Vidmar of the Vidmar clan.

History

If Meve allowed Murko to leave with the treasure: Murko settled in the Aedirnian town of Harmelen, close to Aldersberg. Here he took residence in a building on the main square and set up his bank using his clan's treasure. He gave the town a preferential loan with low interest, to be repaid in a century. He also advised the townsfolk not to take on credit in Koviri marks or Povissian bizants.
